Jury Recommendations

To the Ministry of Labour and Contractors:

1. All documentation regarding relevant qualifications, training/certification and previous work experience must be secured prior to allowing equipment/workers on site.
2. Remind contractors that when sub-contractors are hired, they are to be treated as employees of the contractor and must adhere to all applicable health & safety regulations as mandated by OHSA.

To Sub-contractors:

3. The sub-contractor is responsible for obtaining any necessary training and providing proof of such training to a contractor before any work is started.
