Application Instruction

A Use of Force Report (Form 1) shall be completed each time that a licensed employee in the course of employment:

- uses handcuffs, a baton, a firearm or any other weapon
- uses any other kind of force
- is accompanied by a dog that attacks a person

For the purposes of this report, " uses any other kind of force" occurs when a licensed employee uses physical force on another person that results in an injury requiring medical attention to any party. The Use of Force Report shall be retained by the licensed entity as required in Ontario Regulation 434/07 of the Private Security and Investigative Services Act, 2005.

Please note: Only **licensed business entities** are required to complete use of force reports. Registered employers (i.e. businesses that employ in-house security personnel and are not licensed to sell security services) are not required by the Private Security and Investigative Services Act to complete or retain these reports.
